

ELECTRONIC CALIBRATION

At Fox Valley Metrology, we have the technical expertise to calibrate almost every make and model of electronic test and measurement equipment. Our **ISO/IEC 17025 accredited** lab has a strong team of technicians possess decades of experience in electronic instrument calibration. This combination, along with utilizing the most rigorous calibration standards available, ensures accurate, reliable and repeatable measurements - giving you the utmost confidence in your equipment.

CAPABILITIES

Accelerometers
Ammeters
Analog Power, Volt, Ohm & Amp Meters
Barometers
Cable Tensiometers
Capacitance Meters
Conductance Meters
Conductivity Meters
Crimpers
Current Probes
Data Loggers
Decade Resistors
Digital Multimeters
Environmental Chambers
ESD Simulators
Digital Readouts
Fiber Optic Equipment

Film Thickness Gages
Frequency Counters
Function Generators
Glass Thermometers
Hygrometers
Hypot Testers
IR Thermometers
LCR Meters
Meggers
Oscilloscopes
Oven Temperature Controllers
Oven Surveys
Panel Meters
pH Meters
Power Supplies
Profilometers
Refractometers

Resistors
RF Equipment
Scopemeters
Shunts
Signal Generators
Solder Irons & Pots
Sound Level Meters
Stop Watches
Strip/Chart/XY Recorders
Stroboscopes
Tachometers
Thermocouples & RTD Probes
Thermometers & Temperature Controllers
Viscometers
Watt Meters
Zahn Cups

FOX VALLEY METROLOGY ADVANTAGE

Fox Valley Metrology is a partner to the Quality Assurance Departments of thousands of organizations worldwide. Every day, we increase our partner's profits through many value added benefits, such as:

- **Supporting lean management initiatives.** By offering calibration, repair and new gage sales services all under one roof, we are a single-source partner providing comprehensive coverage over the life cycle of all your equipment.
- **Slashing production downtime.** We provide an industry-leading 3-5 day turnaround time.
- **Eliminating unnecessary administrative tasks.** With Metrology360, our free online gage management software, all your equipment data is tracked automatically.

When you choose to partner with Fox Valley Metrology, you are choosing to partner with a company committed to the success of your team. Visit our website at www.FoxValleyMetrology.com or contact your local sales representative today to learn more about our electronic equipment calibration services and see how this partnership can benefit you.
