

MECHANICAL CALIBRATION

To ensure the highest level of accuracy for all of your mechanical equipment, Fox Valley Metrology provides you with a partner for **ISO/IEC 17025 accredited** calibration services. Our highly trained technicians are equipped with the highest-end calibration devices from the most trusted manufacturers in the industry. Backed by rock-solid calibration standards and a knowledgeable technical staff, we boast one of the broadest scopes in the industry and can cover nearly any unique need that may arise. This commitment to staying on the cutting-edge of technology and capabilities provides you with one partner that can cover all your needs with the utmost confidence and precision.

CAPABILITIES

Brinell Hardness Testers
Brinell Scopes
CMMs
Deadweight Testers
Durometers & Specimens
Dynamometers
Environmental Chambers
Flow Gages
Forces Gages
Load Cells

Manometers
Microscopes
Micro (Vickers & Knoop) Hardness Testers
Optical Comparators
Pressure Calibrators
Pressure Gages
Rockwell Hardness Testers
Roundness Testers
Scales & Balances
Shadowgraph Comparators

Spring Testers
Surface Plates (Calibration & Lapping)
Tensile Testers
Torque Testers & Transducers
Torque Watches
Torque Wrenches
Vacuum Gages
Vision Measuring Machines
Weights

FOX VALLEY METROLOGY ADVANTAGE

Fox Valley Metrology is a partner to the Quality Assurance Departments of thousands of organizations worldwide. Every day, we increase our partner's profits through many value added benefits, such as:

- **Supporting lean management initiatives.** By offering calibration, repair and new gage sales services all under one roof, we are a single-source partner providing comprehensive coverage over the life cycle of all your equipment.
- **Slashing production downtime.** We provide an industry-leading 3-5 day turnaround time.
- **Eliminating unnecessary administrative tasks.** With Metrology360, our free online gage management software, all your equipment data is tracked automatically.

When you choose to partner with Fox Valley Metrology, you are choosing to partner with a company committed to the success of your team. Visit our website at www.FoxValleyMetrology.com or contact your local sales representative today to learn more about our mechanical equipment calibration services and see how this partnership can benefit you.
